[Approved by Governor September 30, 2010. Filed with
Secretary of State September 30, 2010.]

LEGISLATIVE COUNSEL'S DIGEST

SB 1062, Strickland. Public safety omnibus bill.

(1) Existing law provides the circumstances in which a local or state government agency may procure the financial records of an individual in the course of a criminal or civil investigation and specifies certain instances where the dissemination of financial records may be required by an order by a judge. Under existing law, a court may order the production of relevant records in the possession of a real estate recordholder upon the ex parte application by a peace officer stating the records are relevant to an ongoing felony fraud investigation.

This bill would state that the provisions of existing law regarding the procurement of financial records by the government do not prohibit the production of real estate documents upon the ex parte application of a peace officer during the course of the felony fraud investigation.

(2) Existing law, the Trial Court Facilities Act of 2002, provides for the transfer of the responsibility of a county to provide necessary and suitable court facilities by authorizing the transfer of the responsibility from a county to the Judicial Council. The act, in order to facilitate the transfer of facilities, establishes the Transitional State Court Facilities Construction Fund in the State Treasury to finance the bonded indebtedness associated with certain court facilities transferred to the Judicial Council pursuant to the act.

This bill would repeal the provision establishing the Transitional State Court Facilities Construction Fund and would delete provisions of existing law providing for a reduction in court construction penalties for the amounts collected for transmission to that fund.

This bill would expand these lists of drug offenses.

(3) Existing law requires every person required to register as a sex offender to be subject to assessment by the State-Authorized Risk Assessment Tool for Sex Offenders (SARATSO). Existing law requires

probation departments to do a SARATSO assessment on every eligible person for whom it prepares a probation report.

This bill would require probation departments to perform an assessment on eligible persons whether or not it prepares a probation report on that person, and would require that the assessment be done prior to the person's sentencing. By requiring additional SARATSO assessments by probation departments, this bill would impose a state-mandated local program.

(4) Existing law requires persons placed on probation to be under the supervision of a county probation officer. Existing law requires the probation department to compile a Facts of Offense Sheet, which includes the probationer's criminal history and the results of his or her SARATSO assessment, for every person who has been referred to the department who has been convicted of an offense that requires registration under the Sex Offender Registration Act. Existing law requires that the Facts of Offense Sheet be included in the probation officer's report and requires the probation officer to send a copy of the Facts of Offense Sheet to the Department of Justice Sex Offender Tracking Program. Existing law requires that the Facts of Offense Sheet be made part of the registered sex offender's file maintained by the Department of Justice Sex Offender Tracking Program.

This bill would delete the requirement that the probation officer send a copy of the Facts of Offense Sheet to the Department of Justice Sex Offender Tracking Program and instead require the probation officer to send the Facts of Offense Sheet to the Department of Justice High Risk Sex Offender Program.

(5) Under existing law, the pimping of, or the pandering of, a minor is a felony. Existing law imposes a higher triad of sentences if the minor is under 16 years of age than if the minor is over 16 years of age but does not specify the possible sentences if the minor is exactly 16 years of age.

This bill would clarify that if the minor victim is exactly 16 years of age or older, the lower triad of sentences applies.

(6) Existing law makes it a crime to possess a firearm if the person knows he or she is prohibited from doing so by the provisions of specified protective orders.

This bill would apply these provisions to a protective order sought by an officer of a postsecondary educational institution where a student has suffered a credible threat of violence.

(7) Two existing provisions of law both enact the California Community Corrections Performance Incentives Act. One of these provisions includes a victim representative on a local advisory panel created by the act.

This bill would repeal the version of the act that does not include the victim representative in its provisions.

(8) Existing law authorizes each county to establish a Community Corrections Performance Incentives Fund (CCPIF) and authorizes the state to annually allocate money into the State Corrections Performance Incentives Fund to be used for purposes relating to improving local probation supervision practices and capacities. Existing law requires the Director of Finance, in consultation with the Department of Corrections and

Rehabilitation, the Joint Legislative Budget Committee, the Chief Probation Officers of California, and the Administrative Office of the Courts, to calculate the amount of money to be appropriated from the state fund into the CCPIF. Under existing law, the calculation is based on costs avoided by the Department of Corrections and Rehabilitation because of a reduction in the percentage of adult probationers sent to prison for probation failure. Under existing law, this calculation includes a statewide probation failure rate, calculated as the total number of adult felony probationers statewide sent to prison in the previous year as a percentage of the statewide adult felony population as of June 30 of the year that the calculation is being performed, and the probation failure rate for each county, calculated as the number of adult probationers sent to prison from each county in the previous year as a percentage of the county's adult felony probation population as of June 30 of the year that the calculation is being performed.

This bill would require that the statewide and county probation failure rates be calculated as the number of adult felony probationers sent to prison statewide, and by each county, in the previous year as a percentage of the statewide or county's average adult felony probation population for that year.

(9) Under existing law, the service of a subpoena by mail or messenger is effected if and when the recipient acknowledges receipt of the subpoena. Under existing law, acknowledgment may be made by telephone, mail, or in person.

This bill would include e-mail or an online form provided by the sender of the subpoena as an acceptable means of acknowledging the receipt of a subpoena for purposes of affecting service, and would require the sender of the subpoena to retain any acknowledgment received by these methods until the court date for which the subpoena was issued, or a later date if specified by the court.

(10) Existing law, subject to the availability of funds, establishes the Sexual Habitual Offender Program in the Department of Justice and requires that it evaluate the number of arrests and convictions of sex offenses and the length of sentences for repeat offenders. Existing law defines a "sexual habitual offender" for purposes of the act as a person who has been convicted of 2 or more violent offenses against a person involving force or violence which include at least one sex offense, or as a person who has committed a crime which requires registration under the Sex Offender Registration Act and who has additional felony or misdemeanor arrests on his or her criminal record, as specified.

This bill would recast the Sexual Habitual Offender Program as the High Risk Sex Offender Program. This bill would delete the requirement that the program evaluate the number of arrests and convictions of sex offenses and the length of sentences for repeat offenders and would instead require the program to receive Facts of Offenses Sheets and use the scores of sex offenders reported on the sheets for identifying, assessing, monitoring, and containing sex offenders at high risk of reoffending. This bill would delete the definition of a "sexual habitual offender" for purposes of the program

and replace it with “high risk sex offender” and would define a high risk sex offender as any person who is required to register under the Sex Offender Registration Act and who has been assessed with a score equivalent to “high risk” on the SARATSO, or who has been identified as being at a high risk of reoffending by the Department of Justice based on the person’s SARATSO score when considered in combination with unspecified empirically based risk factors.

(11) Existing law requires the Department of Justice to establish and maintain a comprehensive file of existing information maintained by law enforcement agencies, the Department of Corrections and Rehabilitation, the Department of Motor Vehicles, and the Department of Justice. Existing law allows the Department of Justice to request existing information from these agencies regarding sexual habitual offenders and requires these agencies, when requested, to provide copies of the information.

This bill would expand the requirement that the Department of Justice maintain files of existing information maintained by the above agencies to include the State Department of Mental Health and probation departments. This bill would require the State Department of Mental Health and probation departments, in addition to the agencies already subject to the requirement, to provide existing information to the Department of Justice upon request regarding high risk sex offenders. By requiring probation departments to submit existing information upon the request of the Department of Justice, this bill would impose a state-mandated local program.

(12) Under existing law, the Department of Justice is required to provide a summary profile of a sexual habitual offender to each law enforcement agency when an individual registers in, or moves to, the area in which the law enforcement agency is located.

This bill would delete this requirement and instead require the Department of Justice to provide a bulletin to law enforcement agencies on each high risk sex offender via the California Sex Offender Registry and the California Law Enforcement Web (CLEW).

(13) This bill would make various technical corrections.

(14) The bill would provide that any section of any act, other than SB 1330, enacted by the Legislature during the 2010 calendar year that takes effect on or before January 1, 2011, and that affects a provision of this act would prevail over this act.

(15) By imposing additional duties of local probation departments, this bill would impose a state-mandated local program.

(16) The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to these statutory provisions.

The people of the State of California do enact as follows:

This penalty is in addition to any other state or local penalty, including, but not limited to, the penalty provided by Section 1464 of the Penal Code and Section 76000.

(2) This construction penalty does not apply to the following:

(A) Any restitution fine.

(B) Any penalty authorized by Section 1464 of the Penal Code or Chapter 12 (commencing with Section 76000) of Title 8.

After a determination by the court of the amount due, the clerk of the court shall collect the penalty and transmit it immediately to the county treasury and the county treasurer shall transmit these sums as provided in subdivision (f).

(b) In addition to the penalty provided by subdivision (a), for every parking offense where a parking penalty, fine, or forfeiture is imposed, an added state court construction penalty of four dollars and fifty cents (\$4.50) shall be included in the total penalty, fine, or forfeiture. (d) If any deposited bail is made for an offense to which this section applies, and for which a court appearance is not mandatory, the person making the deposit shall also deposit a sufficient amount to include the state court construction penalty prescribed by subdivision (a) for forfeited bail. In order to enable all required persons to participate, each person shall pay the program costs commensurate with the person's ability to pay as determined pursuant to Section 11837.4 of the Health and Safety Code. No condition of probation required pursuant to this paragraph is a basis for reducing any other probation requirement.

(g) Any person convicted of a violation of subdivision (f) of Section 655 shall be punished by imprisonment in the state prison, or in the county jail for not less than 90 days or more than one year, and by a fine of not less than two hundred fifty dollars (\$250) or more than five thousand dollars (\$5,000). If probation is granted, the court, as a condition of probation, may require the person to participate in, and successfully complete, a program licensed pursuant to Chapter 9 (commencing with Section 11836) of Part 2 of Division 10.5 of the Health and Safety Code, if available in the person's county of residence or employment, as designated by the court. In order to enable all required persons to participate, each person shall pay the program costs commensurate with the person's ability to pay as determined pursuant to Section 11837.4 of the Health and Safety Code.

(h) (1) If any person is convicted of a violation of subdivision (f) of Section 655 within seven years of a separate conviction of a violation of subdivision (b), (c), (d), or (e) of Section 655 and is granted probation, the court shall impose as a condition of probation that the person be confined in the county jail for not less than five days or more than one year and pay a fine of not less than two hundred fifty dollars (\$250) or more than five thousand dollars (\$5,000).

(2) If any person is convicted of a violation of subdivision (f) of Section 655 within seven years of a separate conviction of a violation of subdivision (f) of Section 655, of subdivision (a) or (b) of Section 192.5 of the Penal Code, or Section 23152 or 23153 of the Vehicle Code or Section 191.5 or subdivision (a) of Section 192.5 of the Penal Code, when the separate conviction resulted from the operation of a motor vehicle, and is granted probation, the court shall impose as a condition of probation that the person be confined in the county jail for not less than 90 days or more than one year, and pay a fine of not less than two hundred fifty dollars (\$250) or more than five thousand dollars (\$5,000), and the court, as a condition of probation, may order that the person participate in a manner satisfactory to the court, in a program licensed pursuant to Chapter 9 (commencing with

Section 11836) of Part 2 of Division 10.5 of the Health and Safety Code, if available in the county of the person's residence or employment. In order to enable all required persons to participate, each person shall pay the program costs commensurate with the person's ability to pay as determined pursuant to Section 11837.4 of the Health and Safety Code.

(i) The court shall not absolve a person who is convicted of a violation of subdivision (f) of Section 655 within seven years of a separate conviction of a violation of subdivision (b), (c), (d), (e), or (f) of Section 655, of subdivision (a) or (b) of Section 192.5 of the Penal Code, or Section 23152 or 23153 of the Vehicle Code or Section 191.5 or subdivision (a) of Section 192.5 of the Penal Code, when the separate conviction resulted from the operation of a motor vehicle, from the minimum time in confinement provided in this section and a fine of at least two hundred fifty dollars (\$250), except as provided in subdivision (h).

(j) Except in unusual cases where the interests of justice demand an exception, the court shall not strike a separate conviction of an offense under subdivision (b), (c), (d), (e), or (f) of Section 655 or of subdivision (a) or (b) of Section 192.5 of the Penal Code, or Section 23152 or 23153 of the Vehicle Code or Section 191.5 or subdivision (a) of Section 192.5 of the Penal Code, when the separate conviction resulted from the operation of a motor vehicle, for purposes of sentencing in order to avoid imposing, as part of the sentence or as a term of probation, the minimum time in confinement and the minimum fine, as provided in this section. When a separate conviction is stricken by the court for purposes of sentencing, the court shall specify the reason or reasons for the striking order. On appeal by the people from an order striking a separate conviction, it shall be conclusively presumed that the order was made only for the reasons specified in the order, and the order shall be reversed if there is no substantial basis in the record for any of those reasons.

(k) A person who flees the scene of the crime after committing a violation of subdivision (a), (b), or (c) of Section 192.5 of the Penal Code shall be subject to subdivision (c) of Section 20001 of the Vehicle Code.

(l) Any person who violates Section 654.3 is guilty of an infraction punishable by a fine of not more than five hundred dollars (\$500) for each separate violation.

However, if the person is imprisoned in a county jail for at least 48 hours, the court may, in the interest of justice and for reasons stated on the record, reduce or eliminate the 30-day minimum imprisonment required by this subdivision. In determining whether to reduce or eliminate the minimum imprisonment pursuant to this subdivision, the court shall consider the seriousness of the facts before the court, whether there are additional allegations of a violation of the order during the pendency of the case before the court, the probability of future violations, the safety of the victim, and whether the defendant has successfully completed or is making progress with counseling.

(c) Subdivisions (a) and (b) shall apply to the following court orders:

(1) Any order issued pursuant to Section 6320 or 6389 of the Family Code.

(2) An order excluding one party from the family dwelling or from the dwelling of the other.

However, if the person is imprisoned in a county jail for at least 30 days, the court may, in the interest of justice and for reasons stated in the record, reduce or eliminate the six-month minimum imprisonment required by this subdivision. In determining whether to reduce or eliminate the minimum imprisonment pursuant to this subdivision, the court shall consider the seriousness of the facts before the court, whether there are additional allegations of a violation of the order during the pendency of the case before the court, the probability

of future violations, the safety of the victim, and whether the defendant has successfully completed or is making progress with counseling.

(f) The prosecuting agency of each county shall have the primary responsibility for the enforcement of orders described in subdivisions (a), (b), (d), and (e).

(g) (1) Every person who owns, possesses, purchases, or receives a firearm knowing he or she is prohibited from doing so by the provisions of a protective order as defined in Section 136.2 of this code, Section 6218 of the Family Code, or Section 527.6, 527.8, or 527.85 of the Code of Civil Procedure, or Section 15657.03 of the Welfare and Institutions Code, shall be punished under subdivision (g) of Section 12021.

(1) That the defendant make payments to a battered women's shelter or to a shelter for abused elder persons or dependent adults, up to a maximum of five thousand dollars (\$5,000), pursuant to Section 1203.097.

(2) That the defendant reimburse the victim for reasonable costs of counseling and other reasonable expenses that the court finds are the direct result of the defendant's offense.

(i) For any order to pay a fine, make payments to a battered women's shelter, or pay restitution as a condition of probation under subdivision (e), the court shall make a determination of the defendant's ability to pay. In no event shall any order to make payments to a battered women's shelter be made if it would impair the ability of the defendant to pay direct restitution to the victim or court-ordered child support. Where the injury to a married person is caused in whole or in part by the criminal acts of his or her spouse in violation of this section, the community property may not be used to discharge the liability of the offending spouse for restitution to the injured spouse, required by Section 1203.04, as operative on or before August 2, 1995, or Section 1202.4, or to a shelter for costs with regard to the injured spouse and dependents, required by this section, until all separate property of the offending spouse is exhausted.

SEC. 11. Section 290.06 of the Penal Code is amended to read:

(a) (1) The Department of Corrections and Rehabilitation shall assess every eligible person who is incarcerated in state prison. Whenever possible, the assessment shall take place at least four months, but no sooner than 10 months, prior to release from incarceration.

(2) The department shall assess every eligible person who is on parole if the person was not assessed prior to release from state prison. Whenever possible, the assessment shall take place at least four months, but no sooner than 10 months, prior to termination of parole. The department shall record in a database the risk assessment scores of persons assessed pursuant to this paragraph and paragraph (1), and any risk assessment score that was submitted to the department by a probation officer pursuant to Section 1203.

(3) The State Department of Mental Health shall assess every eligible person who is committed to that department. Whenever possible, the assessment shall take place at least four months, but no sooner than 10 months, prior to release from commitment. The State Department of Mental Health shall record in a database the risk assessment scores of persons assessed pursuant to this paragraph and any risk assessment score that was submitted to the department by a probation officer pursuant to Section 1203.

(4) Commencing January 1, 2010, the Department of Corrections and Rehabilitation and the State Department of Mental Health shall send the scores obtained in accordance with paragraphs (2) and (3) respectively, to the Department of Justice Sex Offender Tracking Program not later than 30 days after the date of the assessment. The risk assessment score of an offender shall be made part of his or her file maintained by the Department of Justice Sex Offender Tracking Program as soon as possible without financial impact, but no later than January 1, 2012.

(5) Each probation department shall, prior to sentencing, assess every eligible person as defined in subdivision (d), whether or not a report is prepared pursuant to Section 1203.

(6) Each probation department shall assess every eligible person under its supervision who was not assessed pursuant to paragraph (5). The assessment shall take place prior to the termination of probation, but no later than January 1, 2010.

(b) Eligible persons not assessed pursuant to subdivision (a) may be assessed as follows:

(1) Upon request of the law enforcement agency in the jurisdiction in which the person is registered pursuant to Sections 290 to 290.023, inclusive, the person shall be assessed. The law enforcement agency may enter into a memorandum of understanding with a probation department to perform the assessment. In the alternative, the law enforcement agency may arrange to have personnel trained to perform the risk assessment in accordance with subdivision (d) of Section 290.05.

(2) Eligible persons not assessed pursuant to subdivision (a) may request that a risk assessment be performed. A request form shall be available at registering law enforcement agencies. The person requesting the assessment shall pay a fee for the assessment that shall be sufficient to cover the cost of the assessment. The risk assessment so requested shall be performed either by the probation department, if a memorandum of understanding is established between the law enforcement agency and the probation department, or by personnel who have been trained to perform risk assessment in accordance with subdivision (d) of Section 290.05.

(c) On or before January 1, 2008, the SARATSO Review Committee shall research the appropriateness and feasibility of providing a means by which an eligible person subject to assessment may, at his or her own expense, be assessed with the SARATSO by a governmental entity prior to his or her scheduled assessment. If the committee unanimously agrees that such a process is appropriate and feasible, it shall advise the Governor and the Legislature of the selected tool, and it shall post its decision on the Department of Corrections and Rehabilitation's Internet Web site. Sixty days after the decision is posted, the established process shall become effective.

(d) For purposes of this section, "eligible person" means a person who was convicted of an offense that requires him or her to register as a sex offender pursuant to Section 290 and who is eligible for assessment, pursuant to the official Coding Rules designated for use with the risk assessment instrument by the author of any risk assessment instrument (SARATSO) selected by the SARATSO Review Committee.

(e) Persons authorized to perform risk assessments pursuant to this section, Section 1203, and Section 706 of the Welfare and Institutions Code shall be immune from liability for good faith conduct under this act.

SEC. 12. Section 786 of the Penal Code is amended to read:

786. (a) When property taken in one jurisdictional territory by burglary, carjacking, robbery, theft, or embezzlement has been brought into another, or when property is received in one jurisdictional territory with the knowledge that it has been stolen or embezzled and the property was stolen or embezzled in another jurisdictional territory, the jurisdiction of the offense is in any competent court within either jurisdictional territory, or any contiguous jurisdictional territory if the arrest is made within the contiguous territory, the prosecution secures on the record the defendant's knowing, voluntary, and intelligent waiver of the right of vicinage, and the defendant is charged with one or more property crimes in the arresting territory.

(b) (1) The jurisdiction of a criminal action for unauthorized use, retention, or transfer of personal identifying information, as defined in subdivision (b) of Section 530.55, shall also include the county where the theft of the personal identifying information occurred, the county in which the victim resided at the time the offense was committed, or the county where the information was used for an illegal purpose. If multiple offenses of unauthorized use of personal identifying information, either all involving the same defendant or defendants and the same personal identifying information belonging to the one person, or all involving the same defendant or defendants and the same scheme or substantially similar activity, occur in multiple jurisdictions, then any of those jurisdictions is a proper jurisdiction for all of the offenses. Jurisdiction also extends to all associated offenses connected together in their commission to the underlying identity theft offense or identity theft offenses.

(2) When charges alleging multiple offenses of unauthorized use of personal identifying information occurring in multiple territorial jurisdictions are filed in one county pursuant to this section, the court shall hold a hearing

to consider whether the matter should proceed in the county of filing, or whether one or more counts should be severed. The district attorney filing the complaint shall present evidence to the court that the district attorney in each county where any of the charges could have been filed has agreed that the matter should proceed in the county of filing. In determining whether all counts in the complaint should be joined in one county for prosecution, the court shall consider the location and complexity of the likely evidence, where the majority of the offenses occurred, whether or not the offenses involved substantially similar activity or the same scheme, the rights of the defendant and the people, and the convenience of, or hardship to, the victim and witnesses.

(3) When an action for unauthorized use, retention, or transfer of personal identifying information is filed in the county in which the victim resided at the time the offense was committed, and no other basis for the jurisdiction applies, the court, upon its own motion or the motion of the defendant, shall hold a hearing to determine whether the county of the victim's residence is the proper venue for trial of the case. In ruling on the matter, the court shall consider the rights of the parties, the access of the parties to evidence, the convenience to witnesses, and the interests of justice.

(c) This section shall not be interpreted to alter victims' rights under Section 530.6.

SEC. 13. Section 1203e of the Penal Code is amended to read:

1203e. (a) Commencing June 1, 2010, the probation department shall compile a Facts of Offense Sheet for every person convicted of an offense that requires him or her to register as a sex offender pursuant to Section 290 who is referred to the department pursuant to Section 1203. The Facts of Offense Sheet shall contain the following information concerning the offender: name; CII number; criminal history, including all arrests and convictions for any registerable sex offenses or any violent offense; circumstances of the offense for which registration is required, including, but not limited to, weapons used and victim pattern; and results of the State-Authorized Risk Assessment Tool for Sex Offenders (SARATSO), as set forth in Section 290.04, if required. The Facts of Offense Sheet shall be included in the probation officer's report.

(b) The defendant may move the court to correct the Facts of Offense Sheet. Any corrections to that sheet shall be made consistent with procedures set forth in Section 1204.

(c) The probation officer shall send a copy of the Facts of Offense Sheet to the Department of Justice High Risk Sex Offender Program within 30 days of the person's sex offense conviction, and it shall be made part of the registered sex offender's file maintained by the Sex Offender Tracking Program. The Facts of Offense Sheet shall thereafter be made available to law enforcement by the Department of Justice, which shall post it with the offender's record on the Department of Justice Internet Web site maintained pursuant to Section 290.46, and shall be accessible only to law enforcement.

(d) If the registered sex offender is sentenced to a period of incarceration, at either the state prison or a county jail, the Facts of Offense Sheet shall

be sent by the Department of Corrections and Rehabilitation or the county sheriff to the registering law enforcement agency in the jurisdiction where the registered sex offender will be paroled or will live on release, within three days of the person's release. If the registered sex offender is committed to the Department of Mental Health, the Facts of Offense Sheet shall be sent by the Department of Mental Health to the registering law enforcement agency in the jurisdiction where the person will live on release, within three days of release.

SEC. 14. Chapter 3 (commencing with Section 1228) of Title 8 of Part 2 of the Penal Code, as added by Section 36 of Chapter 28 of the 3rd Extraordinary Session of the Statutes of 2009, is repealed.

SEC. 15. Section 1233.1 of the Penal Code, as added by Section 2 of Chapter 608 of the Statutes of 2009, is amended to read:

1233.1. After the conclusion of each calendar year following the enactment of this section, the Director of Finance, in consultation with the Department of Corrections and Rehabilitation, the Joint Legislative Budget Committee, the Chief Probation Officers of California, and the Administrative Office of the Courts, shall calculate the following for that calendar year:

(a) The cost to the state to incarcerate in prison and supervise on parole a probationer sent to prison. This calculation shall take into consideration factors, including, but not limited to, the average length of stay in prison and on parole for probationers, as well as the associated parole revocation rates, and revocation costs.

(b) The statewide probation failure rate. The statewide probation failure rate shall be calculated as the total number of adult felony probationers statewide sent to prison in the previous year as a percentage of the average statewide adult felony probation population for that year.

(c) A probation failure rate for each county. Each county's probation failure rate shall be calculated as the number of adult felony probationers sent to prison from that county in the previous year as a percentage of the county's average adult felony probation population for that year.

(d) An estimate of the number of adult felony probationers each county successfully prevented from being sent to prison. For each county, this estimate shall be calculated based on the reduction in the county's probation failure rate as calculated annually pursuant to subdivision (c) of this section and the county's baseline probation failure rate as calculated pursuant to Section 1233. In making this estimate, the Director of Finance, in consultation with the Department of Corrections and Rehabilitation, the Joint Legislative Budget Committee, the Chief Probation Officers of California, and the Administrative Office of the Courts, shall adjust the calculations to account for changes in each county's adult felony probation caseload in the most recent completed calendar year as compared to the county's adult felony probation population during the period 2006 to 2008, inclusive.

(e) In calculating probation failure rates for the state and individual counties, the number of adult felony probationers sent to prison shall include

those adult felony probationers sent to state prison for a revocation of probation, as well as adult felony probationers sent to state prison for a conviction of a new felony offense. The calculation shall also include adult felony probationers who are sent to prison for conviction of a new crime and who simultaneously have their probation terms terminated.

SEC. 16. Section 1328d of the Penal Code is amended to read:

1328d. Notwithstanding Section 1328, a subpoena may be delivered by mail or messenger. Service shall be effected when the witness acknowledges receipt of the subpoena to the sender, by telephone, by mail, over the Internet by e-mail or by completion of the sender's online form, or in person, and identifies himself or herself by reference to his or her date of birth and his or her driver's license number or Department of Motor Vehicles identification card number. The sender shall make a written notation of the identifying information obtained during any acknowledgment by telephone or in person. The sender shall retain a copy of any acknowledgment received over the Internet until the court date for which the subpoena was issued or until any further date as specified by the court. A subpoena issued and acknowledged pursuant to this section shall have the same force and effect as a subpoena personally served. Failure to comply with a subpoena issued and acknowledged pursuant to this section may be punished as a contempt and the subpoena may so state; provided, that a warrant of arrest or a body attachment may not be issued based upon a failure to appear after being subpoenaed pursuant to this section.

A party requesting a continuance based upon the failure of a witness to appear in court at the time and place required for his or her appearance or testimony pursuant to a subpoena, shall prove to the court that the party has complied with the provisions of this section. Such a continuance shall only be granted for a period of time which would allow personal service of the subpoena and in no event longer than that allowed by law, including the requirements of Sections 861 and 1382.

SEC. 17. Section 1417.6 of the Penal Code is amended to read:

1417.6. (a) The provisions of Section 1417.5 shall not apply to any dangerous or deadly weapons, narcotic or poisonous drugs, explosives, or any property of any kind or character whatsoever the possession of which is prohibited by law and that was used by a defendant in the commission of the crime of which the defendant was convicted, or with which the defendant was armed or that the defendant had upon his or her person at the time of the defendant's arrest.

Any of this property introduced or filed as an exhibit shall be, by order of the trial court, destroyed or otherwise disposed of under the conditions provided in the order no sooner than 60 days following the final determination of the criminal action or proceeding.

(b) (1) Every person who knowingly has in his or her possession any tool or device that is seized and of a type used in the commission of a violation of Section 10801, 10802, or 10803 of the Vehicle Code, shall be subject to having the tool or device intended for the above purpose deemed a nuisance as provided in paragraph (2).

(2) An evidentiary hearing shall be held only upon conviction of the defendant for a violation of Section 10801, 10802, or 10803 of the Vehicle Code and after 15 days' notice is given to the defendant of the state's intent to declare as a nuisance any property that is described in paragraph (1). All relevant evidence shall be admissible at the hearing and the state shall prove by a preponderance of the evidence that the property seized is of a type used in facilitating the commission of the crime of which the defendant was convicted.

(3) If a person purports to be the lawful owner of any tool or device the state seeks to be declared a nuisance, the person shall show proof by a preponderance of the evidence at the hearing pursuant to paragraph (2), that he or she owns the tool or device, and the illegal use of the tool or device was without his or her knowledge or consent.

(4) Following a determination that the property shall be declared a nuisance, the property shall be disposed of as provided in paragraph (2) or (3) of subdivision (c) of Section 1417.5.

SEC. 18. Section 12021 of the Penal Code is amended to read:

(2) Any person who has two or more convictions for violating paragraph (2) of subdivision (a) of Section 417 and who owns, purchases, receives, or has in his or her possession or under his or her custody or control any firearm is guilty of a felony.

(c) (1) Except as provided in subdivision (a) or paragraph (2) of this subdivision, any person who has been convicted of a misdemeanor violation of Section 71, 76, 136.1, 136.5, or 140, subdivision (d) of Section 148, Section 171b, 171c, 171d, 186.28, 240, 241, 242, 243, 243.4, 244.5, 245, 245.5, 246.3, 247, 273.5, 273.6, 417, 417.6, 422, 626.9, 646.9, 12023, or 12024, subdivision (b) or (d) of Section 12034, Section 12040, subdivision (b) of Section 12072, subdivision (a) of former Section 12100, Section 12220, 12320, or 12590, or Section 8100, 8101, or 8103 of the Welfare and Institutions Code, any firearm-related offense pursuant to Sections 871.5 and 1001.5 of the Welfare and Institutions Code, or of the conduct punished in paragraph (3) of subdivision (g) of Section 12072, and who, within 10 years of the conviction, owns, purchases, receives, or has in his or her possession or under his or her custody or control, any firearm is guilty of a public offense, which shall be punishable by imprisonment in a county jail

not exceeding one year or in the state prison, by a fine not exceeding one thousand dollars (\$1,000), or by both that imprisonment and fine. The court, on forms prescribed by the Department of Justice, shall notify the department of persons subject to this subdivision. However, the prohibition in this paragraph may be reduced, eliminated, or conditioned as provided in paragraph (2) or (3).
